

# CC&GTCC "Ask The Expert"

The Following Club members have graciously volunteered to share their expertise. If you have a question about a particular area contact the individual experts by e-mail and be as specific as possible. While they may be willing to help you determine value this is not intended to be an appraisal service. Please allow sufficient time for a response keeping in mind these members have volunteered their time. If you are new to the hobby you will find you can learn alot from some of the more experienced members and I know you will find them very helpful.
