EDITOR'S WELCOME

Greetings to one and all. Fall (Autum) is now upon us and living here in Las Vegas, I am looking forward to our most pleasant time of the year where the triple-digit

temperatures are behind us and the high desert chilly temperatures are just ahead. While 'chilly' is never as extreme as snow weather, just the same, for residents coming off of record high temperatures (like 118) of this Summer, it comes as a shock to the system to encounter a snowy day in the desert!

As a subscriber to numerous 'industry' publications (all online) my mailbox is full of gaming news and information daily. From those publications, I see that there is loads of new casino legislation around the World and for collectors, the more the better.

Here in Las Vegas, developers are looking to construct a 725-foot tall, spherical hotel and casino, detailed on the outside as the Earth's moon, and themed inside along the same line.

The San Manuel Band of Mission Indians casino in Southern California is rebranding as the Yaamava' Resort & Casino. New chips were just released. The Tribe also bought the Palms casino

back in May, and just announced the General Manager (a former MGM executive) for when the deal closes at the end of the year. Sounds like new collectibles to me.

Many thanks to the CCA/MoGH Publicity Director, Brad Smth, as his most recent Press Release has caught the attention on over 14 news media outlets about one of our member's effort to break the Guinness World Record for a casino chip/token collection. Additional details are included in this issue of the Newsletter.

I trust that those planning to attend the 2022 Convention and Show at the South Point in June, is thinking about supporting the "Deuces Wild" theme in costume, decorations and personal chips.

Until next month, please enjoy this issue and feel free to email me with comments and suggestions.

An email sent to all our Dealers...

To all CCA Dealers,

We know there are a lot of collectors out there who are unaware of the annual show or the club. So here's a new way to promote both to this hard-to-reach market segment!

The attached 3" x 5" card is designed for you to include in your shipping package or envelope after you make a chip or token sale.

Please reply to this email and let us know how many you would like, and we will print them up and deliver them to you!

We will be counting the number of cards used at the show to receive a free chip to gauge effectiveness. If you have any spare chips we can use for this, bring them to the show with you.

Cheers, and here's to a great show in 2022! Deuces Wild! Jerry

Our thanks to Brad Smith, Roy Nelson and Todd Barrett for the concept idea, card design and artwork. To date, 800 cards have already been ordered!

**Order yours now by emailing Jerry Vergatos at:

Recent "New Releases"...

We are pleased to announce this month that we have found our new, **New Releases Wrangler**. We thank Gregg Fisher for stepping forward to providing content to this regular feature of the CCA Newsletter.

Gregg will begin his duties for the November issue of the Newsletter. This responsibility is rather complex, as it requires monitoring the several online sites where chip discussions take place (looking for posts about New Releases) and searching ChipGuide for tell tale indicators of new entries as being New Releases.

Readers here can assist Gregg, by sending him emails to advise of New Releases at: greggfish2@gmail.com.

The preceding images are all courtesy of ChipGuide, which was also used to estimate release dates. It is possible, and likely, that some of the imaged chips are not recently issued as New Releases.

FOR IMMEDIATE RELEASE

Attempt at World's Record Casino Chips Collection on Display

Las Vegas Man's Guinness World Record-Setting Collection of Casino Chips and Tokens Publicly Exhibited at Spinettis Gaming Supplies

LAS VEGAS (September 23, 2021)— For Las Vegas Gregg Fisher, double-deuces are wild. If his current collection of 2,222 casino chips and tokens are approved, he will almost triple the current Guinness World's Record. As part of the record attempt, all 2,222 items will be publicly displayed next week.

Fisher, a member of the Casino Collectibles Association, holds the current Guinness World Record for the world's largest collection of casino chips and tokens – 818, each from different casinos. The process of authenticating, counting, and photographing each piece of his entire expanded collection of 2,222 pieces takes place over a four-day span at Spinettis Gaming Supplies, 810 S. Commerce Street in Las Vegas. The entire new potential record-setting collection can be viewed by the public there from 9:30 A.M. to 5:30 P.M. this Monday through Wednesday, September 27th through 29th.

“The record is based on the largest number of items over a single subject in a private personal collection,” says Fisher. “In this case, only one chip or token from a specific casino is counted. So, in my

case, the number of items in this Guinness World Record represents the same number of different casinos. I cannot thank Spinettis enough for all of the assistance provided on my record quest."

Two qualified independent witnesses from Spinettis, as confirmed by Guinness, must document the collection, and submit a statement of their daily activities involved in the process. As part of the process, the collection must be put on public display for three days for review and challenge.

After everything is submitted to Guinness World Records, the twelve-week review process starts, and the wait for acceptance begins. It should be noted that about 40% of all Guinness World Record attempts fail because of the lack of perfect paperwork.

If approved, the new world's largest casino chip and token collection, as recognized by Guinness World Records, will also be on display at the [Casino Collectibles Association's](#) (CCA)

29th annual show, June 16-18, 2022, at the South Point Hotel and Casino in Las Vegas. The show is open to the public and offers the unique opportunity to examine, buy, sell, trade or evaluate casino collectibles and memorabilia. It features museum-like exhibits and dealers of casino memorabilia from all over the world.

Becoming a CCA Life Member

Roy Nelson, CCA Membership Officer...

Any Club member interested in becoming a Life Member, should note the following qualifications as excerpted from the Club's Constitution:

E. Life Members: members in good standing age 25 or older who apply, after completion of their third full year of membership for permanent membership status, and whose applications are accompanied by payment, according to the following schedule. Life Members are relieved from paying further annual dues, but must pay any magazine mailing charges above bulk mail, if the Life Member desires such mailing enhancement:

Age 25-39: then-current dues times 25

Age 40-55: then-current dues times 20

Age 55+: then-current dues times 15

After 10 years of continuous completed membership the following rates would apply:

Age 56-75: then-current dues times 10

Age 76+: then-current dues times 5;

E (i). Dues Changes Impacting Life Members: if the Board of Directors raises the organization's annual general membership dues, thus impacting the Life Membership cost to someone who at that time has been a member for less than three years, the Board of Directors may, in its discretion, grandfather in all those members who have been members for less than three (3) years, so that those members, once they have completed their third year, may become life members by paying the multiplier times the annual dues in effect when they first became a regular member. The member must pay the increased annual dues until the completion of the third year. At the completion of the third year, the member has a one-time only, two month window to apply for Life Membership at the grandfathered lower rate.

We Welcome our newest Life Members! **Rich** and **Theresa Moore** (LM-294 and 294-A, respectively) and **Eva Orama** (LM-259-A).

Silver Striker News Update

Notice to all Silver Strikers!!

The Plaza Hotel & Casino has issued another 50th Anniversary Strike. The new strike has arrived at the casino and has been loaded into the machines for you to win.

The new strikes are in Blue Capsules.

It is a limited edition strike with only 500 made!!

Separate from Rob McPherson, it has been reported on a popular Facebook Group, that the El Cortez Silver Strike machine is sitting idle and empty of strikes, but still on the casino floor. It is not known at this time if the machine will be put back into service. It is quite possible that they have

From another website, Shaun Webster of the Four Queens in Las Vegas, has announced:

The Halloween reds and blues will go into the machines on October 27th, and the \$300 will be released on Friday October 29th at 10 am.
