EDITOR'S WELCOME

We are fast approaching the annual Convention and Business meeting in just over two weeks from publication date. As a Board member I can report that the 4 of us have been very engaged in

the matters at hand and with the assistance of the Convention Chair, we will be well prepared to receive our Dealers, Club member attendees, special guests and the public at large for 3 great days of activities.

In this issue of the CCA Newsletter we include Convention information because the Convention is perhaps our single most important 'news worthy' event of each year. It encompasses our required corporate Business meeting, and opportunities to raise funds with the Bruce Landau Memorial Auction, the Convention Raffle and Dealer participation.

It allows us to recognize our year-round volunteers and Convention volunteers. We fulfill our Educational responsibilities as required by our 501 (c) (3) status, and for many, it allows for getting reacquainted with friends and an opportunity to meet new ones.

Inside you will find Campaign Statements from the 2 Presidential candidates vying to fulfill the remaining portion of the vacated President's

position (by resignation in March/April) in a Constitutionally required Special Election. Readers will also see that the CCA Board is seeking candidates for the position of 2023 Convention Chair (or co-Chairs), which technically is needed now, as the role is somewhat year-round, with a great intensity in the months before each Convention.

We are also in search of a new Convention Raffle Chair. Doug Smith has set a standard in this role, but has asked to pass the reins to another Club member.

Our searches for both of these critical positions are better described elsewhere in this issue.

This issue reflects a return to including Club member business cards. If yours is not here, then send me one. And emailing is fine, just scan at 300 dpi or greater.

We are still in search of a New Release Chip Wrangler. I hope you enjoy this issue and please, I want your feed back. Tell me what you like and especially what you don't like. I want to hear what you have to say. Thank you and on to the Show!

Candidate Statements for the position of CCA President are on the following 2 pages. Presented Statements are verbatim from each candidate, without changes or modifications. They appear in alphabetical order, by last name.

CCA President Candidate Statement - James Eric Freedner

A chance for change. There has been too much contention and hostility between the officers and Board of Directors and the members of our club. I'm running for President because I believe I can make a difference. We must return to our stated goals of an educational organization and a Board that represents the members' wishes. We must also continue to welcome new members and spend our money wisely.

My business experience started at age 23 when I leased and operated a gasoline service station in San Luis Obispo, CA. I thereafter served as President of Zzyzx Records Corporation in Sun Valley, CA, and in such capacity drafted sound recording contracts and released tapes and record albums.

My experience also includes 15 years as an elected member of the North Hollywood North East Neighborhood Council of the City of Los Angeles. During that time I also served as its secretary. I have also worked as a paralegal and legal secretary for the past 42 years. Some years ago I also was a candidate for City Council of what would have been the City of San Fernando Valley.

I collect casino chips, specializing in California, Florida and Nevada. Some may know me as a frequent visitor to swap meets and flea markets around southern California, where I sometimes turn up unexpected new additions to my collection. I also try to keep up with new issues as they appear in California.

I wish to improve the club's solidarity and stability into the future, Can't guarantee miracles, but I'll try to do my best and would be grateful for your vote for President of the CCA. Thank you.

James Eric Freedner

CCA President Candidate Statement - David Spragg

The position of President is best served by someone with a thorough knowledge of the workings of the Club, its legal requirements and its finances. Recent events have borne that out. As a current Board member who has currently served for 11 years, I believe I am best placed of all candidates to take on the position, having been considerably involved in just about all facets of Club business at some time or other. I also have a good working relationship with the other Board members and have long been well known across the hobby.

It is a tireless position, often occupying several hours a day, and requires someone reliable with considerable 'work time' hours available. Anyone who has held the position before alongside fulltime external employment knows that it's almost impossible to give the role their full attention. There are many projects that were discussed during the past couple of terms which were not brought to fruition, and I will be doing my best to make sure that does not happen again. Please also remember this is initially just an interim position for the remainder of the current term. We will go through the whole process again starting in January 2023. Right now the club needs stability and an experienced head.

Immediate actions are to find a new Raffle Chair & Convention Chair, or at least a co-chair to assist Jim Steffner. These are two of the most important volunteer positions and the duties pretty much run all year round. Preparation for the next year starts almost as soon as each convention is over.

I am also keen to take advantage of those that wish to contribute regularly but don't want to hold an important volunteer position on their own. I am against the expansion of the current 5 person voting BoD but would seek to add others either by way of advisory groups, or small committees rather than single volunteers, to handle such things as social media and the club website. I'd also like to make it clear that any such appointments would be made by agreement of the whole BoD. In conjunction with important volunteers, the Club is supposed to be governed by the BoD, not the President alone, so a re-focus is necessary. The BoD is supposed to function as a team, with advice and assistance from other volunteer positions, with the President driving the team efforts and managing the available resources.

There are many reasons why the BoD's board meetings cannot be public. However I would like to revert to the procedure we had several terms ago where decisions affecting the membership would be posted publicly, and look to build on a recent suggestion where members can directly put forward questions to the BoD for discussion. For those who wish to maintain anonymity, the 'suggestion box' feature still remains available.

I think most of the membership knows me well enough to determine whether I am suitable for this position so I will just take this opportunity to mention things that will inevitably be brought up during the election process.

In the same way that it is too much for anyone to combine the President and Convention Chair roles effectively, I appreciate that it may be too much for me to continue as both day to day Webmaster and co-Auction Chair if elected. The Website re-development is still a key task to be undertaken following a failed project that sadly the 4 remaining BoD members were not involved in until it was too late. It is unfortunate that the Club does not have the financial resources available, nor is our organisation large enough, to justify the bespoke system our last President desired. Nevertheless it is an important area for me, albeit with some compromise, that I would like to see some of our own volunteers at least partially involved in.

A few people seem to think that my other business interests cause a conflict of interest. Well, aside from the fact that nothing changes in that I will remain a Board member regardless of the election outcome, I would have thought that

my ability to supply goods (convention chips, plaques & pins) and services (website hosting) to the Club either free of charge or at cost (saving us several thousand dollars a year) was a good thing. I am not the first Board member to be a dealer at the convention, and I won't be the last. On the rare occasions that any vote is necessary in this area, I don't vote as it is, so nothing changes there.

I would also like to state that while entitled to some expenses, and contrary to the belief of many it appears, I do not claim or receive any travel or hotel costs for any Club business. Neither do I claim any other expenses bar those mentioned above.

Sadly, just as we always wish we had more volunteers, too small a proportion of members exercise their right to vote in BoD elections, so, in advance, I therefore ask for your support by way of vote in the forthcoming election. Make your vote count.

SUGGESTION BOX

The purpose of this Section is to allow all of our viewers a chance to speak up about what they feel may help our Club become even greater. All are welcome to submit to Chuck, any ideas and thoughts. Submissions will be shared here, but they must be sent to Chuck via email to: ccasuggestionbox@gmail.com. This is done so that they can be meticulously organized and implemented, or, forwarded, to the Club's President for appropriate assignments. Please feel free to offer your assistance in implementing your suggestion. This will ensure that your suggestion can be accomplished much sooner than expected and offer the Club a new benefit. When listed here, Suggestions will be anonymous, so please feel free to express your ideas openly. The suggestions listed will have a disposition to show progress.

HELP WANTED! - You could be the next Convention Chair or Convention Raffle Chair...

As most are already aware, Jim Steffner has returned this year as the Convention Chair and supports the Boards quest to identify qualified candidates and affect a selection as soon as is possible for the 2023 Convention Chair. Since the 2022 Convention is fast approaching, now is a good time to ask for candidates and be able to provide those candidates with a unique insight of the position over the four full days of the 2022 Convention. If you are interested, please feel free to contact any other CCA Board members or Jim Steffner for more information.

With regard to the Raffle Chair's stewardship, Doug Smith has been an exemplary Chair, continually raising the standards of solicitations, advertising and fund raising over the past several years as the Club's Convention Raffle Chair. After all these years of service, Doug is now ready to pass along the reins to another Club member. If you have an interest, and are a regular to the Conventions, please stop by the Raffle Table and talk with Doug. See what he does and learn more about the position, in real time!

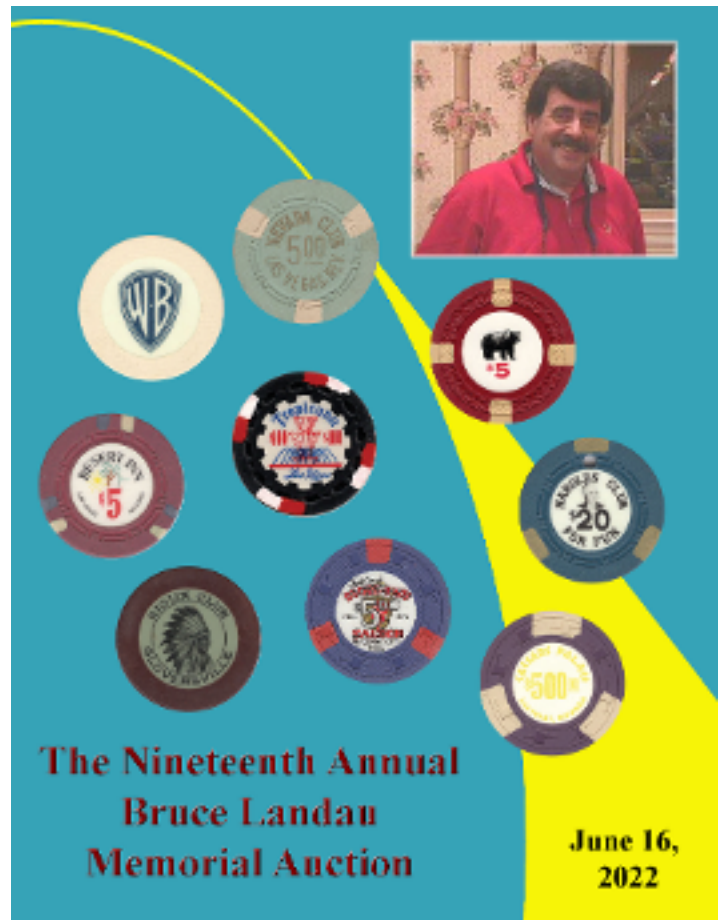

The CCA Board thanks both Jim and Doug for their dedication and service to the CCA!

The Board also thanks all the donors and ticket buyers that support the Convention Raffle!

For those attending the Convention, we look forward to seeing you soon and wish you safe travels in getting there. For those staying home, be sure to visit the Facebook video feed planned by Ron Gaudette, similar to what the late, great, Greg Susong provided at this time of the year.

ATTENTION to all attendees of the CCA Annual Convention

The Concession Stand located at the back of Exhibit Hall C (our venue) is for the convenience of all Dealers and attendees to the CCA Annual Convention.

The Concession Stand has a daily minimum spend requirement which the Club has to meet (or pay the difference). We therefore strongly encourage you to enjoy the range of refreshments offered at this stand in order to help the Club. This will also help us to retain this benefit in future years.

The Concession Stand will be open from the hours of 8 am to 4 pm on each day of the Convention.

Recent New Chip Releases...

We are in need of a New Releases Wrangler. The New Releases Wrangler is rather complex, as it requires monitoring the several online sites where chip discussions take place (looking for posts about New Releases) and searching ChipGuide for the 'tell tale' indicators of newer entries as being New Releases.

If this position sounds interesting, please send an email to volunteer or request more details, to: Jim@GamingOre.com.

Becoming a CCA Life Member

Roy Nelson, CCA Membership Officer...

Any Club member interested in becoming a Life Member, should note the following qualifications as excerpted from the Club's Constitution:

E. Life Members: members in good standing ***age 25 or older*** who apply, after completion of their third full year of membership for permanent membership status, and whose applications are accompanied by payment, according to the following schedule. Life Members are relieved from paying further annual dues, but must pay any magazine mailing charges above bulk mail, if the Life Member desires such mailing enhancement:

Age 25-39: then-current dues times 25

Age 40-55: then-current dues times 20

Age 55+: then-current dues times 15

After 10 years of continuous completed membership the following rates would apply:

Age 56-75: then-current dues times 10

Age 76+: then-current dues times 5;

E (i). Dues Changes Impacting Life Members: if the Board of Directors raises the organization's annual general membership dues, thus impacting the Life Membership cost to someone who at that time has been a member for less than three years, the Board of Directors may, in its discretion, grandfather in all those members who have been members for less than three (3) years, so that those members, once they have completed their third year, may become life members by paying the multiplier times the annual dues in effect when they first became a regular member. The member must pay the increased annual dues until the completion of the third year. At the completion of the third year, the member has a one-time only, two month window to apply for Life Membership at the grandfathered lower rate.

CCA MAILING AND EMAIL ADDRESS UPDATING:

I send out Membership renewal postcards 4 times a year and with each mailing I get 4-5 returned as: 'Not At This Address'. If you have moved or changed your mailing address please send me an email with an update to: membership@ccgtcc.com. Having a current address is the only way you can receive your Club magazine and the primary way we keep in contact with you. The same goes for your email address. An old email address may be the reason you are not receiving your Club magazine.
