EDITOR'S WELCOME

**Well, we made
it, and it was
GREAT!!!**

For good reason, this issue of the CCA Newsletter is dedicated to the just concluded CCA Convention and Business Meeting of 2022. While there are many people to thank for carrying this off so well, I do not want to lose sight of the faithful attendees; our Dealers, our members and the public at-large, that passed through the entryway doors.

But in particular, we owe a great debt of gratitude to our members that are also volunteers. And this year, a special call was put out to those who had arrived early at the South Point, to come help-out on Tuesday to setup tables, which happened a day early this year due to a change in the move-in/set-up process.

The change in format for the

Early-Bird Banquet was well received and becomes an option for next year. And speaking of next year, Jim Steffner, who stepped in as a last minute Convention Chairman has advised the CCA Board that he will continue as the 2023 Convention Chair; for a record setting 9th time.

In this issue we also present the latest Special Election news, as well as a downloadable copy of the Official Ballot. As a reminder, Charter, Life and Regular members are responsible to ensure their Associate affiliated members have the opportunity to submit a Ballot. So please share. And now on with the latest news.

Candidate Statements for the position of CCA President are on the following 2 pages. Presented Statements are verbatim from each candidate, without changes or modifications. They appear in reverse alphabetical order, by last name.

CCA President Candidate Statement - David Spragg

The position of President is best served by someone with a thorough knowledge of the workings of the Club, its legal requirements and its finances. Recent events have borne that out. As a current Board member who has currently served for 11 years, I believe I am best placed of all candidates to take on the position, having been considerably involved in just about all facets of Club business at some time or other. I also have a good working relationship with the other Board members and have long been well known across the hobby.

It is a tireless position, often occupying several hours a day, and requires someone reliable with considerable 'work time' hours available. Anyone who has held the position before alongside fulltime external employment knows that it's almost impossible to give the role their full attention. There are many projects that were discussed during the past couple of terms which were not brought to fruition, and I will be doing my best to make sure that does not happen again. Please also remember this is initially just an interim position for the remainder of the current term. We will go through the whole process again starting in January 2023. Right now the club needs stability and an experienced head.

Immediate actions are to find a new Raffle Chair & Convention Chair, or at least a co-chair to assist Jim Steffner. These are two of the most important volunteer positions and the duties pretty much run all year round. Preparation for the next year starts almost as soon as each convention is over.

I am also keen to take advantage of those that wish to contribute regularly but don't want to hold an important volunteer position on their own. I am against the expansion of the current 5 person voting BoD but would seek to add others either by way of advisory groups, or small committees rather than single volunteers, to handle such things as social media and the club website. I'd also like to make it clear that any such appointments would be made by agreement of the whole BoD. In conjunction with important volunteers, the Club is supposed to be governed by the BoD, not the President alone, so a re-focus is necessary. The BoD is supposed to function as a team, with advice and assistance from other volunteer positions, with the President driving the team efforts and managing the available resources.

There are many reasons why the BoD's board meetings cannot be public. However I would like to revert to the procedure we had several terms ago where decisions affecting the membership would be posted publicly, and look to build on a recent suggestion where members can directly put forward questions to the BoD for discussion. For those who wish to maintain anonymity, the 'suggestion box' feature still remains available.

I think most of the membership knows me well enough to determine whether I am suitable for this position so I will just take this opportunity to mention things that will inevitably be brought up during the election process.

In the same way that it is too much for anyone to combine the President and Convention Chair roles effectively, I appreciate that it may be too much for me to continue as both day to day Webmaster and co-Auction Chair if elected. The Website re-development is still a key task to be undertaken following a failed project that sadly the 4 remaining BoD members were not involved in until it was too late. It is unfortunate that the Club does not have the financial resources available, nor is our organisation large enough, to justify the bespoke system our last President desired. Nevertheless it is an important area for me, albeit with some compromise, that I would like to see some of our own volunteers at least partially involved in.

A few people seem to think that my other business interests cause a conflict of interest. Well, aside from the fact that nothing changes in that I will remain a Board member regardless of the election outcome, I would have thought that

my ability to supply goods (convention chips, plaques & pins) and services (website hosting) to the Club either free of charge or at cost (saving us several thousand dollars a year) was a good thing. I am not the first Board member to be a dealer at the convention, and I won't be the last. On the rare occasions that any vote is necessary in this area, I don't vote as it is, so nothing changes there.

I would also like to state that while entitled to some expenses, and contrary to the belief of many it appears, I do not claim or receive any travel or hotel costs for any Club business. Neither do I claim any other expenses bar those mentioned above.

Sadly, just as we always wish we had more volunteers, too small a proportion of members exercise their right to vote in BoD elections, so, in advance, I therefore ask for your support by way of vote in the forthcoming election. Make your vote count.

CCA President Candidate Statement - James Eric Freedner

A chance for change. There has been too much contention and hostility between the officers and Board of Directors and the members of our club. I'm running for President because I believe I can make a difference. We must return to our stated goals of an educational organization and a Board that represents the members' wishes. We must also continue to welcome new members and spend our money wisely.

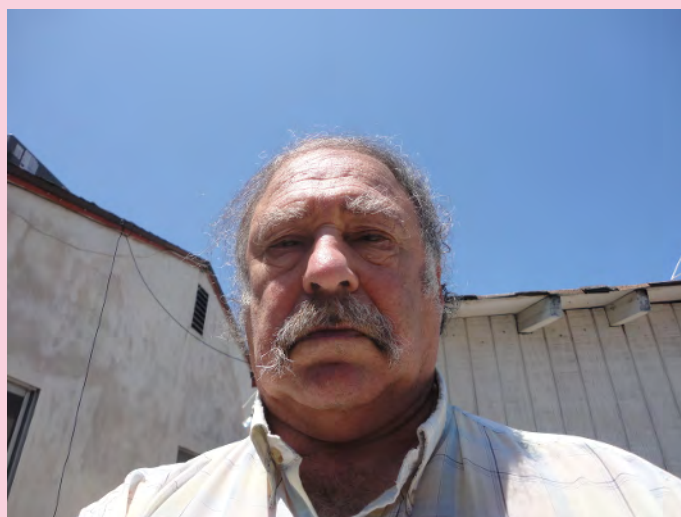

My business experience started at age 23 when I leased and operated a gasoline service station in San Luis Obispo, CA. I thereafter served as President of Zzyzx Records Corporation in Sun Valley, CA, and in such capacity drafted sound recording contracts and released tapes and record albums.

My experience also includes 15 years as an elected member of the North Hollywood North East Neighborhood Council of the City of Los Angeles. During that time I also served as its secretary. I have also worked as a paralegal and legal secretary for the past 42 years. Some years ago I also was a candidate for City Council of what would have been the City of San Fernando Valley.

I collect casino chips, specializing in California, Florida and Nevada. Some may know me as a frequent visitor to swap meets and flea markets around southern California, where I sometimes turn up unexpected new additions to my collection. I also try to keep up with new issues as they appear in California.

I wish to improve the club's solidarity and stability into the future. Can't guarantee miracles, but I'll try to do my best and would be grateful for your vote for President of the CCA. Thank you.

James Eric Freedner

THANK YOU Steve Cutler...

The CCA Board wishes to acknowledge and thank Steve Cutler for his donation to the CCA to help offset some Convention costs. Steve's donation consisted of the stack of boxes seen below, that were filled with museum-quality acrylic stands, risers and frames, once intended for Steve's Casino Legends Hall of Fame Museum, and some items used at the Museum when it was at the Tropicana Hotel and Casino.

The Board also thanks Wendy Schultz and her crew for their help in selling Steve's donation from a table along side Wendy's "B and V Coin" Table.

The SPLASHY Award...

Mike Quinlivan ("Capt. Q" to many) was bestowed with the Splashy Award for 2022.

Past SPLASHY Awardees (L-R) Barry Hauptman, Chris Carlson, Mike Quinlivan, Doug Smith, Judy Weurth and David Spragg

Capt. Q with his Award and family. (Sarah, Corni, Mike and Sean)

CCA Promotional Convention 2022 Merchandise...

These items (and more) were produced for the CCA's 29th Annual Convention, Show and Business Meeting at the South Point Hotel Casino Spa, over 3-days in June (16, 17 and 18) 2022. These items (and more) are available for purchase by emailing the CCA's Promotions Director, Roy Nelson, at: promotions@ccgtcc.com.

Recent New Chip Releases...

We are in need of a New Releases Wrangler. The New Releases Wrangler is rather complex, as it requires monitoring the several online sites where chip discussions take place (looking for posts about New Releases) and searching ChipGuide for the 'tell tale' indicators of newer entries as being New Releases.

If this position sounds interesting, please send an email to volunteer or request more details, to: Jim@GamingOre.com.

The following is provided solely for educational and entertainment purposes and should not be construed as an endorsement of any person or entity of the Casino Collectibles Association and/or any related entity.

News from the Colorado Casino Collectors Club...

To all you faithful:

Our meetings of the Colorado Casino Collectors are at the American Legion Post 21, 500 9th Street, Golden, CO 80401 as usual.

Good news is that I've scheduled all the meetings for 2022 at this same place. They are the 3rd Sunday of every other month.

Save the following dates: July 17, September 18 and November 20.

Masks and social distancing are expected. Hopefully, we'll have another good meeting.

Ken Hallenbeck

Musings From The MoGH.

The Museum of Gaming History (The MoGH) is an Educational Project of the Casino Chip & Gaming Token Collectors Club, Inc., d/b/a the Casino Collectibles Association.

The MoGH Table was rather busy during the Convention, with 6 new Gold-level memberships, 6 Gold-level renewals and sales of general MoGH merchandise and Convention 2022 commemorative octagons, as shown here.

A special thanks is due MoGH Board member, Pam Focazio, who also doubles as the MoGH's Membership and Promotions Directorships, and, also worked the MoGH Table for nearly 100% of the 3-days of Convention hours, as well as helping to set-up on Wednesday and breakdown on Saturday!

MoGH Chairman, Charles Kaplan, also spent some hours at the MoGH Table demonstrating ChipGuide and I pretty much home-based from there to help membership and merchandise activities. We also experimented with a new concept, with a working title of "Meet-a-SME".

The acronym SME stands for 'subject matter expert' and we scheduled several such individuals to be at the MoGH Table during the course of the Convention. The objective was to provide educational content at the Convention in addition to the MoGH's Educational Seminars and Educational Exhibits. We thank our SME's for their appearances at the Convention and plan to do this again next year. Helping out were J. Michael Niotta, Ted Whiting and a crew from the National Atomic Testing Museum.

The following individuals signed up for Gold-level MoGH Membership and received their "1st Year Anniversary" plaques.

<i>Michael Morris</i>	<i>Jack Jenkins</i>	<i>Bart Hagensick</i>
<i>Randy Avon</i>	<i>James Bosnick</i>	<i>Raulin Mendonca</i>

The following individuals renewed their annual Gold-level memberships and we thank them!

Paul Liscio (6) Alan Schuyler (4) Erick Isackson (5)

Jay Sands (4) Ross Poppel (4) George Dmitrevsky (4)

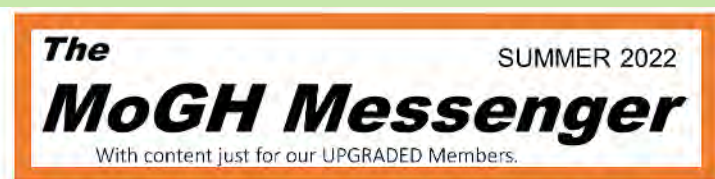

(The number in parenthesis following each renewal name is the numerical reference to their earned Service Year plaque.)

Each new Gold-level member and Gold-level renewal individual were given a copy of the new, "The MoGH Messenger" publication, which is for Gold-level MoGH members only, as an additional benefit of upgrading their regular MoGH membership.

"The MoGH Messenger" will be published quarterly and is an extension of the original concept of a MoGH Newsletter, originally inaugurated in the Summer of 2018 with only 1 issue. That 2018 newsletter is featured on the cover of The MoGH Messenger. The Summer issues of The MoGH Messenger will be a full-color, glossy page, pamphlet-sized (5.5" x 8.5), 20-page document that will be mailed to Gold-level MoGH members. The Fall, Winter and Spring issues will be digital (.pdf) and distributed via email.

If you are not currently a MoGH Gold-level member and would like more upgrade information, please contact Pam Focazio at:

Pam@theMoGH.org

WELCOME TO OUR INAUGURAL ISSUE

This is the inaugural issue of The MoGH Messenger. It originally began as the MoGH Newsletter, in the Summer of 2018 (see inset). The original concept of the newsletter was to provide special content, regarding the MoGH, for distribution to Upgraded MoGH members only, as an added benefit of having upgrading their regular MoGH Membership, the default level of all CCA Members. That newsletter was to be sent out every quarter, via snail mail, as a pamphlet sized booklet, with MoGH content only, and paid ads, to help offset printing and mailing costs. The MoGH Messenger will continue with that concept, with newer content and better technology, but will remain as a paper published product, exclusively for Upgraded MoGH Members.

Cover page of the "MoGH Newsletter" Volume 1, Issue 1, Summer 2018.

Inside this issue: MoGH Board Structure, "The Trail of the MoGH" - Then and Now, "A ChipGuide ADMIN's View", Membership Renewal, MoGH Promotional Sales, and MORE...

The MoGH is an Educational Project of the Casino Collectibles Association
a 501 (c) (3) not-for-profit Educational-based organization.

Musings From The MoGH.

The Museum of Gaming History (The MoGH) is an Educational Project of the Casino Chip & Gaming Token Collectors Club, Inc., d/b/a the Casino Collectibles Association.

Current Gold-level MoGH members that were not at the Convention (or missed stopping by the MoGH Table) should keep an eye out for their copy of The MoGH Messenger, which is being mailed to your CCA Membership address.

Imaged here are the 2, 2022 "Deuces Wild" Convention-themed octagon chips created as a fund raiser for the MoGH. We thank the 2 artists (Kevin Norris and Michael Leonardo) for their designs.

Orders for either or both (and multiple quantities) of these 43mm octagon chips may be made to Pam Focazio, MoGH Promotions by sending an email to: Pam@theMoGH.org requesting ordering details. They are offered at \$7 each, \$14 for the pair (please add \$4 for any quantity to-be ordered). We thank you in advance for your support of the MoGH in our efforts to provide "Trail of the MoGH" Exhibits and our collections preservation activities.
