

## **CCA Show Memorabilia Selling Policy**

*Please be aware that sales of casino memorabilia including chips are only allowed to be conducted at a dealers table.*

*If you are not a dealer and do not have a table on the show floor then no sales, or arrangements for any sales or future sales can be conducted in any trade sessions, in any rooms used by the convention, in hallways adjacent to the convention, or on the South Point Hotel property.*

*If you wish to sell or advertise in any manner, then you need to have a dealer table. This protects the dealers who have paid for a table on the floor. You may wish to take your chips to any dealer and see if they have an interest.*
