**C**hip and token collectors have been around as long as casinos have, but it wasn't until the 1980s that collectors began talking with each other on a regular basis and dealers began to concentrate on casino material. Before the 1980s, chips and tokens could be found outside of casinos only as oddities: a few chips or tokens mixed in with a coin dealer's stock, or a few chips at an antiques shop or garage sale.

Two early chip dealers published short-lived newsletters, and a contributor to one of them was Archie Black, who lived not far from the relatively new casino gaming jurisdiction of Atlantic City, NJ. When the second of the two dealer newsletters ceased publication, Black, a chip collector with a long history of coin collecting and organizing coin clubs, decided to test the waters to see whether or not there might be sufficient interest to organize a chip and token collectors club similar to the coin clubs he had participated in. Late in 1987, Archie wrote to a number of collectors who appeared on the newsletter's subscriber list, inquiring about interest in an organized club.

The first issue of what would eventually become "Casino Chip & Token News", the quarterly magazine of the Casino Chip & Gaming Token Collectors Club at over 100 pages per issue appeared in January 1988, and was entitled "Atlantic City Chip & Token Newsletter." The five page newsletter was the creation of Archie Black, who began publishing his newsletter quarterly including news and history of the relatively new (10 years old) Atlantic City casino industry.

The response to the survey Black included in his first issue was overwhelmingly in favor of establishing a formal club, and the Casino Chip & Gaming Token Collectors Club was a reality. The initial group of collectors numbered about 20, but the charter membership was extended to the first 100 members. That goal was passed immediately after the Club's first annual meeting at the American Numismatic Association convention in Cincinnati, Ohio, that July.

The hobby expanded exponentially into literally every aspect of gaming in America and in fact across the entire world. No item too small or too large that had an identifiable logo or casino name attached to it went uncollected!

Items that became collectible included poker chips, casino chips, antique gaming chips, dice, match books, ashtrays, postcards, napkins, coasters, menus, plaques, silver strikes. The joke is that there is nothing out of bounds and people do in fact collect things that the average person would simply say, "You are kidding!" Table layouts for roulette, blackjack and craps, actual signs from the casinos, the glass fronts to slot machines, and of course the slot machines themselves!

The first (organizing) convention took place at the ANA convention in Cincinnati, Ohio on July 23, 1988. The first 5 conventions took place at the American Numismatic Association meetings! The first true CC&GTCC convention took place at the Aladdin Hotel, Las Vegas, in May of 1993!

# CCA President's Welcome

## The President's Welcome

A very warm welcome to the 31st CCA Annual Convention. I'd like to start by thanking all volunteers, including many no longer with us, for all their hard work arranging the past 30 and hope this one will be just as good.

Thanks go to our hosts, the South Point Hotel & Casino, for all the services they are providing, and to all this year's volunteers, not least our Convention Chair, Jim Steffner, even though he is unable to attend. This will be our 15th Convention at South Point, our fifth different venue since Archie Black started the club in 1988. Please note that since last year we have signed a further contract with South Point for 2025 & 2026. In particular, many of the South Point employees & contractors go above and beyond what we have contracted them for, so please acknowledge that if you have a chance.

The success of last year's events mean we again have Celebrity/VIP guests on-hand to 'meet and greet' our members and visitors this year. Take note of their times and locations as detailed elsewhere in this program. Please also enjoy as many of the other events as you can – the seminars, poker tournament, and of course the banquet, for which we are delighted to welcome Oliver Lovatt as our guest speaker.

Please support the Club in any way you can. As well as the wide array of merchandise available from the Club table, the two biggest annual fundraising events, the Auction & Raffle, take place during the show. Visit the raffle and auction tables for more info, to buy tickets and place bids, or attend the live auction yourselves. Bid generously, over 90% of the lots are donated this year, our best ever!

Lastly, the Club Annual Meeting takes place on Saturday morning. This is the forum to debate Club business and ask questions of the BoD or other Chairs.

Have fun!

David Spragg-President

## Convention Chairman's Welcome

Welcome to the 31th Annual Convention of the Casino Collectibles Association. This show is for all of you and your guests to buy or trade anything related to casinos: chips, tokens, silver strikes, slot cards, room keys, ashtrays, dice, and anything else you may have or want. You will find a show floor of dealers offering the best collectible items you will ever find, along with some very knowledgeable dealers that can and will answer any questions you may have.

Does it seem possible that from an idea shared by Archie Black, club founder, and a few fellow collectors back in 1988 who wanted to get together and trade a few chips. That today has emerged a club of several thousand active members from every state in the U.S. and many foreign countries.

With the help of the many club member volunteers without their unselfish, unending assistance and dedication, and the participation of the dealers, this convention and show could and would not be possible. A big Thank You to all who played an important part in bringing you these fun-filled four days.

During the show, you can partake in some excellent educational seminars and an auction of some of the best chips, tokens, and casino memorabilia consigned by many of our members. There will also be a poker tournament, trading sessions, and local club meetings.

Check the schedule for any last-minute added events. If you need any help during your stay, please check at the registration desk, or the club table just inside the main entrance for assistance.

I want you to enjoy every minute of the show while gaining additional knowledge about this great hobby. Be it finding that elusive chip or token for which you've been searching, meeting new collectors, or visiting with older club members, that's what it's all about.....Having Fun!

**ALMOST 5 YEARS GONE  
BUT NOT FORGOTTEN  
IN LOVING MEMORY OF SHELDON SMITH  
(1944-2019)  
Proud Life Member of the CC&GTCC/CCA**

For his friends in the Club and for those who admired his hard work and dedication in furtherance of our hobby, let's celebrate Sheldon Smith, his memory, and his many accomplishments during the Club's Annual Convention which, for more than 20 years, provided Sheldon with fun times had, great and interesting treasures found and lasting friendships formed.

Sheldon was known for his enthusiasm, support, and love for the Casino Collectibles hobby and his curiosity about all things related to casinos, gambling, and their histories. He loved Las Vegas – its history, its people, and its promise. He had a vast knowledge of casino chips and enjoyed collecting \$1 Nevada chips. In addition to collecting chips and other casino memorabilia, Sheldon also sold extensively on eBay as "onenevadadollar" and anyone who dealt with him knew him to be intelligent, knowledgeable, honest, and helpful. He saw "history" where others saw "junk" – for example, think, "floor sweepers!"

Sheldon was an innovator, a forward-thinking entrepreneur, and, above all, an educator. More importantly, he was a loving husband/best friend, father and grandfather, and a staunch, stalwart and faithful friend.

Sheldon served our Club for more than 20 years in various capacities – he was a long-time Vice-President and President of the Southern Nevada Casino Collectibles Club, Publicity Director for the MOGH, and Educational Director, Vice-President and three-time Convention Chair of the CC&GTCC/CCA.

For those who would have enjoyed his friendship had they known him, a poem ("Success") by Ralph Waldo Emerson describes what Sheldon represented:

"To laugh often and much; to win the respect of intelligent people and the affection of children; to earn the appreciation of honest critics and endure the betrayal of false friends; to appreciate beauty; to find the best in others; to leave the world a bit better whether by a healthy child, a garden patch, or a redeemed social condition; to know even one life has breathed easier because you have lived. This is to have succeeded."

We celebrate the life and many successes of Sheldon Smith, almost five years gone but never forgotten. As he loved to say, "Keep on chipping!"

**ENJOY THE CONVENTION!**

# 2023-4 Board of Directors

## **David Spragg - President**

Since joining the CCA 20 years ago, I've been a pretty active volunteer and officer and also organizing fund raisers. I am currently the auction chairman and webmaster. I also operate the Chipboard, Strikepoint and SlotCardBBS on-line forums and maintain the MoGH Preserving Gaming History website. Hall of Fame member since 2021.

## **Jim Follis - Vice President**

After a chance encounter with the 1998 Convention at The Orleans, Jim became aware that he was not alone in this hobby. Within 2 years Jim became a volunteer and has continuously held various appointed positions ever since. Jim currently serves as a Vice Chair of the Museum of Gaming History, Club Historian and Convention Exhibits Chairman. A Jim now resides in Las Vegas with his wife of 44 years, Pam Focazio and their son Casey. As a Life Member, Jim is always honored to be a part of the Club!

## **Bud Wisinski - Treasurer**

I'm Bud Wisinski. I'm a Los Angeles resident and I live there with my wife of 41 years. I joined the club six years ago. I'm a very modest chip collector but I enjoy the Club magazine and convention. I joined the Club Board of Officers as treasurer because there was a need that I was well qualified to fulfill. A CPA now retired; but I do all of the finance functions for the Burbank, California, Moose Lodge. I hope you enjoy the convention. I'll see you there (or in the poker room).

## **James Hogg - Secretary**

My wife and I (along with our young family) moved to Las Vegas from England around 20 years ago and while working at the MGM grand I discovered casino chips, I have never looked back. My collecting was at the start like many new collectors a little erratic but now I have grown to love collecting Small Town Nevada and Casino Plaques. In the last few years I have been more and more involved within the CCA and I am looking forward to seeing everyone in Las Vegas (along with their chips!)

## **Jay Sands - Membership Officer**

I started collecting casino chips and other memorabilia in the 1980s. Following some 40+ years in the motion picture business, in 2019 I retired and moved to Las Vegas. I joined the CCA in 1999 and since then I've been very involved in many aspects of the hobby. In 2004 I became co-chair of the Club Auction. I have served as Vice President of the CCA on four different occasions. I've been co-author of The Chip Rack, co-promoter of Casinorama

### **21st Annual Bruce Landau Memorial Auction**

Thursday June 13th- 7:00 PM- Joshua Room

Named to honor the memory of the Club's longtime Auction Chairman, Bruce Landau, the Annual Auction has proven to be the highlight of the International Convention. The auction features many hard-to-find chips and other casino-related items and is a critically important fundraising event for the CCA. Approximately 90% of lots were donated to the club (a huge achievement this time round).

David Spragg and Jay Sands are the 2024 Auction Co-Chairs. They have assembled some excellent lots for this year's spectacular event. You won't want to miss it.

The auction itself consists of 2 parts. A silent auction and a traditional auctioneer-led event.

**SILENT AUCTION** - Will be on display at the auction table from 9:00 AM Thursday until 4:00 PM Thursday. Silent bids can be made at any time during that period. The highest bid at 4:00 PM Thursday wins the lot in question.

**REGULAR AUCTION** - Auction lots will be on display at the auction tables from 9:00 AM Thursday until 4:00 PM Thursday. The live auction for these lots will take place at 7:00 PM in the Joshua Room. Pre-bids are allowed and a pre-bid board will be displayed at the table for those who wish to place bids in that manner. Jim Kruse will be this year's auctioneer

*Please remember to register for the 7:00 PM auction during the show and also take some time to view the 200 lots.*

### **Annual Business Meeting**

Saturday June 15th- 8:00 AM- Joshua Room

The Annual Club Business Meeting is the one opportunity members have each year to meet with the entire Board in person. The Club has many projects and activities going on and this is your chance to learn more about what the Club is doing. This is also your chance to be an active participant in your Club's business process. Take this opportunity to express your thoughts and ideas about the Club and what initiatives the Club should consider in its future planning. This is your Club and your elected Officers need your help in order to maintain our phenomenal success rate and grow the Club.

During the meeting you will hear reports from each Officer and you will be asked to help decide the issues relevant to the ongoing business of the organization. At the end of the meeting questions and comments will be solicited from the floor. This is the time for our members to come forward and share their ideas and comments.

# Convention Information

## MEMBERS ONLY TRADE SESSIONS

We have several Member Only trade sessions planned throughout the four days. All trade sessions will be held in Cypress Room. Be sure to check the signage and your convention program for times and exact locations.

Please keep in mind that selling is not permitted during trading sessions and those who sell rather than trade will be asked to leave the trade sessions. Make sure to wear your convention badge, as it is a requirement for all attendees.

**The “Last Dance” Trade Session will be held on Saturday, June 15th from 7:00 pm until 11:00 pm.** This will be your last chance after the showroom floor closes to trade for that last chip, token, silver strike, room key or slot card for your collection.

## Celebrity Meet & Greet Educational Series

## Education Seminars

**EDUCATIONAL SEMINAR #1**  
**Thursday JUNE 15th. 8:00 AM**  
**JOSHUA ROOM**

Dr. David G. Schwartz, Ombuds and Historian  
Title - At the Sands: The History of a Las Vegas Strip Icon

Topic – From its 1952 opening until its 1996 implosion, the Sands was once of the most storied casinos in Las Vegas. This talk explores the Sands’ construction, operation, expansion, and demise, with focus on some of the familiar highlights (the Copa Room, the Rat Pack) as well as some hidden gems.

Bio – David G. Schwartz, Ombuds, professor, and gaming historian at the University of Nevada, Las Vegas, studies conflict resolution, gambling and games, and history. He is a Certified Organizational Ombuds Practitioner and credentialed mediator.

An Atlantic City, New Jersey native and former casino employee, Schwartz has written and edited several books, including *At the Sands*, *Cutting the Wire*, *Roll the Bones*, *Grandissimo*, and *Boardwalk Playground*. He earned his Ph.D. in United States History from UCLA, and teaches several classes, including casino history, video games, conspiracy theories, alternate history, and jazz history.

**EDUCATIONAL SEMINAR #2**  
**THURSDAY JUNE 15th. 3:00 PM**  
**JOSHUA ROOM**

Geno Munari  
Title - The Dunes Hotel; the Mob, the Connections and the Stories

Topic – Featuring some Dunes Hotel characters, their connection to Meyer Lansky, Jimmy Hoffa etc., and a connection to John Hicks, son of Marion Hicks, first owner of the El Cortez and the Algiers Hotel. It will include the John Hicks story and his relation to the infamous “Chip-Cup” scam that pilfered millions of dollars from major Las Vegas casinos, which eventually led to the mob killing of Johnny Hicks. The Chip-Cup scam should be interesting to the attendees, as it involved special apparatus that used actual casino chips.

Bio – Geno Munari, a multifaceted professional in the gambling and hospitality industry, relocated to Las Vegas in 1964. In the 1970s, Munari obtained a non-restricted gaming license for Cowboy Gene’s Casino. He spent eight years working at the Dunes Hotel and contributed to the development of the San Remo, Bourbon Street, and the Astro Hotel. He served as an Adjunct Professor at U.N.L.V. from 1980 to 1985, specializing in Casino Operations and Management.

**EDUCATIONAL SEMINAR #3**  
**FRIDAY JUNE 16th. 8:00 AM**  
**JOSHUA ROOM**

Rene Contreras  
Host of the Side Bet Podcast.

Topic – My journey to launching The Side Bet Podcast starts with watching boxing with my family. Boxing introduced me to Las Vegas and growing up gambling inevitably got me to collecting casino chips. While collecting I noticed so many stories needed to be told. We needed a platform to share and preserve history!

**EDUCATIONAL SEMINAR #4**  
**FRIDAY JUNE 16th. 3:00 PM**  
**JOSHUA ROOM**

Convention Exhibits are a keystone concept to the CCA's Educational activities, as a function of our 501 (c)(3), Not For Profit status with the IRS. Convention Exhibits, both Competitive and non-Competitive, along with the Trail of the MoGH Exhibits, Convention Seminars and the Greg Susong Digital Media Center (including it's now iconic, ChipGuide) the Club's multi-faceted Educational efforts are a hallmark of our membership.

### 2024 Educational Exhibits.

The specific COMPETITIVE Exhibits, at press time, were not finalized, but by Convention time you will find the finalized Exhibits at the Educational Exhibits Corral. Look for the red-colored tablecloth draped tables towards the rear of the bourse floor. There you will find COMPETITIVE Exhibits, NON-COMPETITIVE Exhibits and the newly established, "Treasures from the MoGH's Vault" Exhibits.

"Treasures from the MoGH's Vault" will display selections of material that has been donated to the CCA/MoGH over the years. Certainly not all donations but select examples of donations graciously made to the CCA/ MoGH, from various sources that are securely and safely stored at the MoGH's storage unit throughout the rest of the year.

Stop by the Exhibits Corral to view all the Exhibits and cast your vote for the People's Choice Award from the COMPETITIVE Exhibits. Also, be sure to take a look at the displays of the 2023 OTY Nominees, the CCA's Permanent Collection of all Past OTY Award Winners and the informative Standards and Archives Committee exhibit of examples of Official CCA Grade & Conditions descriptions.
