# History of the CCA

Chip and token collectors have been around as long as casinos have, but it wasn't until the 1980s that collectors began talking with each other on a regular basis and dealers began to concentrate on casino material. Before the 1980s, chips and tokens could be found outside of casinos only as oddities: a few chips or tokens mixed in with a coin dealer's stock, or a few chips at an antiques shop or garage sale.

Two early chip dealers published short-lived newsletters, and a contributor to one of them was Archie Black, who lived not far from the relatively new casino gaming jurisdiction of Atlantic City, NJ. When the second of the two dealer newsletters ceased publication, Black, a chip collector with a long history of coin collecting and organizing coin clubs, decided to test the waters to see whether or not there might be sufficient interest to organize a chip and token collectors club similar to the coin clubs he had participated in. Late in 1987, Archie wrote to a number of collectors who appeared on the newsletter's subscriber list, inquiring about interest in an organized club.

The first issue of what would eventually become "Casino Chip & Token News", the quarterly magazine of the Casino Chip & Gaming Token Collectors Club at over 100 pages per issue appeared in January 1988, and was entitled "Atlantic City Chip & Token Newsletter." The five page newsletter was the creation of Archie Black, who began publishing his newsletter quarterly including news and history of the relatively new (10 years old) Atlantic City casino industry.

The response to the survey Black included in his first issue was overwhelmingly in favor of establishing a formal club, and the Casino Chip & Gaming Token Collectors Club was a reality. The initial group of collectors numbered about 20, but the charter membership was extended to the first 100 members. That goal was passed immediately after the Club's first annual meeting at the American Numismatic Association convention in Cincinnati, Ohio, that July.

The hobby expanded exponentially into literally every aspect of gaming in America and in fact across the entire world. No item too small or too large that had an identifiable logo or casino name attached to it went uncollected!

Items that became collectible included poker chips, casino chips, antique gaming chips, dice, match books, ashtrays, postcards, napkins, coasters, menus, plaques, silver strikes. The joke is that there is nothing out of bounds and people do in fact collect things that the average person would simply say, "You are kidding!" Table layouts for roulette, blackjack and craps, actual signs from the casinos, the glass fronts to slot machines, and of course the slot machines themselves!

The first (organizing) convention took place at the ANA convention in Cincinnati, Ohio on July 23, 1988. The first 5 conventions took place at the American Numismatic Association meetings! The first true CC&GTCC convention took place at the Aladdin Hotel, Las Vegas, in May of 1993!

# CCA President's Welcome

## The President's Welcome

Welcome to the 2026 CCA Convention and Show where we are celebrating the 250th birthday of our great country. What a crazy, wonderful year the club is having, eh? The show floor is sold out, we have more speakers than speaking slots, we have more evening events taking place, we're holding our first online auction that's open to non-attendees for the first time! Everyone in the club forums, on facebook, on collectibles websites and on the chip board are buzzing with excitement about this year's show. I can't wait to see the attendance numbers.

Outside the show, membership is climbing, our financials are looking way up instead of crashing down, the 2025-2026 board has answered a lot of questions, solved a lot of problems, streamlined operations, cleaned up data, and addressed virtually every complaint that has been circulating for years. We completed the inventory of everything the club owns, including show equipment, CCA assets and MOGH donations. What more can I say except THINGS ARE REALLY GREAT!

Come to the business meeting on Saturday morning at 8am before the show floor opens. There is SO much to hear about and I know you will be as excited as I am when you hear the reports and see the graphs showing demonstrable improvement. You will also be able to meet the newly elected board members and thank the outgoing board members as well.

But don't think we're sitting on our laurels. Oh, no. I handed the board 30 items I wanted to tackle this year. I knew I wouldn't get 100% buy-in but we needed to start somewhere. Over time, I added another 30 or so things I identified since taking office (there are 63 tasks on the list as of this writing). We've knocked out about 35 items so far, and will have another 5-10 done by the time the convention starts. I plan to ask the 2026-2027 board to prioritize the remaining items (plus any they put forward) which I think will put the club on easy street as far as ongoing club maintenance. We will have done much of the hardest work at that point.

In summary, I hope you are as excited as I am about the future of this club. Please enjoy everything we have to offer at this year's event and please come up to me and say 'hi'. If you have suggestions for further improvements, I want to talk to you about them. If you're wanting to pitch in and help, just say the word and we'll find a place for you.

Barry Sherwood  
CCA President, 2025-2027

## Convention Chairman's Welcome

Welcome to the 33rd Annual Convention of the Casino Collectables Association. This show is for everyone to buy or trade all things related to casinos! Whether you've attended every convention or this is your first, I encourage you to take in as many of the activities as you can.

This program contains details of the key events, including those for members only. Aside from the main hall, open to the public for 3 days, these events include the educational seminars, trade sessions, raffle, VIP meet & greets, silent & live auctions and poker tournament. The CCA annual business meeting takes place at 8am on Saturday morning.

If you wish to join the CCA you can do so at the membership table towards the back of the main hall.

It seems like just yesterday an idea sparked in by Archie Black, our CCA founder, then shared with a few other collectors way back in 1988 who wanted a venue to get together and trade a few chips. Today our club has many active members from all around the world spanning not only the US but several foreign countries as well.

Our CCA convention would not exist without the help of our many tireless volunteers, dealers and South Point staff. I want to send out a huge THANK YOU to everyone for their hard work, because without them these 4 fun-filled days would not be possible.

Make sure to check the show schedule posted near the main hall entrance as there may be added events since this program went to press. If you need any help during your time at the show, the volunteers at the registration desk near the main entrance, will be happy to help out any way possible.

Our goal is for you to enjoy every minute of our show while broadening your horizons of this great hobby. Whether it be finding that unicorn chip, a pair of dice you've been chasing, to meeting new collectors or picking the brain of a seasoned "professional", there is fun to be had in every aspect of our show!

I have many goals for the club, revolving around optimizing structure, technology and transparency to enhance member experience to better ensure the club remains viable and thriving long into the future..

## **Jim Follis - Vice President**

Jim now resides in Las Vegas with his wife of 45 years, Pam Focazio and their son Casey. As a Life Member, Jim is always honored to be a part of the Club!

He joined the club in 2015, loves attending the annual convention as well as playing poker online with other members, and became the Membership Officer in 2025. After 33 years in the IT Consulting Industry, Mike retired in 2021. He and his wife Kathy live in the northern Houston suburb of Spring, Texas

There's no one better to speak about The Legacy of Collecting. Under Aaron's leadership, The Neon Museum has enjoyed regional, national, and international media attention through print, web, podcast and television. The Neon Museum was recognized alongside The Metropolitan, The Getty, and the Smithsonian as one of the top 27 museums in America by Travel + Leisure and USA Today awarded "The Best Pop Culture Museum." ## 23rd Annual

### **Bruce Landau Memorial Auction**

Thursday June 18th - 7:00 PM - Joshua Room

Named to honor the memory of the Club's longtime Auction Chairman, Bruce Landau, the Annual Auction has proven to be the highlight of the International Convention. The auction features many hard-to-find chips and other casino-related items and is a critically important fundraising event for the CCA. Approximately 90% of lots were donated to the club (a huge achievement this time round).

Barry Sherwood is the 2026 Acting Auction Chair. He has assembled some excellent lots for this year's spectacular event. You won't want to miss it.

The auction itself consists of 2 parts. A silent auction and a traditional auctioneer-led event.

**SILENT AUCTION** - Will be on display at the auction table from 9:00 AM Thursday until 4:00 PM Thursday. Silent bids can be made at any time during that period. The highest bid at 4:00 PM Thursday wins the lot in question.

**REGULAR AUCTION** - Auction lots will be on display at the auction tables from 9:00 AM Thursday until 4:00 PM Thursday. The live auction for these lots will take place at 7:00 PM in the Joshua Room. Pre-bids are allowed and a pre-bid board will be displayed at the table for those who wish to place bids in that manner. Dick Bartley and Jerry Birl are this year's auctioneers.

*Please remember to register for the 7:00 PM auction during the show and also take some time to view the 200 lots.*

## **Annual Business Meeting**

Saturday June 20th - 9:00 AM - Joshua Room

The Annual Club Business Meeting is the one opportunity members have each year to meet with the entire Board in person. The Club has many projects and activities going on and this is your chance to learn more about what the Club is doing. This is also your chance to be an active participant in your Club's business process. Take this opportunity to express your thoughts and ideas about the Club and what initiatives the Club should consider in its future planning. This is your Club and your elected Officers need your help in order to maintain our phenomenal success rate and grow the Club.

During the meeting you will hear reports from each Officer and you will be asked to help decide the issues relevant to the ongoing business of the organization. At the end of the meeting questions and comments will be solicited from the floor. This is the time for our members to come forward and share their ideas and comments.

Casino and Social Media Pro  
Casino Transformation to Electronic Gaming.

Once upon a time or time for a change? Casino fans and memorabilia collectors are witnessing a multitude of changes as the business model of the casino industry marches toward electronic gaming. Electronic everything, really. Casino and now independent social

media pro Scott Roeben will address how the casino experience is changing, why, and what to expect in the future.

Scott Roeben is the founder of Vital Vegas (VitalVegas.com), one of the most widely read blogs and X accounts (@VitalVegas) covering Las Vegas casinos, gambling, dining and entertainment. He was the digital marketing manager of downtown Vegas' Fremont Street Experience, and his blog creation for Caesars Entertainment was named best corporate blog in the country. Roeben is an award-winning photographer, humorist and published author, as well as being an advocate of children's literacy and animal welfare.

Author and Consultant  
Las Vegas's Block 16—the Red-Light District

to life the story of Block 16—the Red-Light District.

Based on personal experience combined with a ton of historical research, Jami Rodman's presentation will paint the picture of how her firm's selection of guided and self-guided audio tours, with unabashedly honest storytelling, takes people deep into Vegas' risqué past.

## Convention Exhibits

Convention Exhibits are a keystone concept to the CCA's Educational activities, as a function of our 501 (c)(3), Not For Profit status with the IRS. Convention Exhibits, both Competitive and non-Competitive, along with the Trail of the MoGH Exhibits, Convention Seminars and the Greg Susong Digital Media Center (including it's now iconic, ChipGuide) the Club's multi-faceted Educational efforts are a hallmark of our membership.

### 2026 Educational Exhibits.

The specific COMPETITIVE Exhibits, at press time, were not finalized, but by Convention time you will find the finalized Exhibits at the Educational Exhibits Corral. Look for the red-colored tablecloth draped tables towards the rear of the bourse floor. There you will find COMPETITIVE Exhibits, NON-COMPETITIVE Exhibits and the newly established, "Treasures from the MoGH's Vault" Exhibits.

"Treasures from the MoGH's Vault" will display selections of material that has been donated to the CCA/MoGH over the years. Certainly not all donations but select examples of donations graciously made to the CCA/MoGH, from various sources that are securely and safely stored at the MoGH's storage unit throughout the rest of the year.

Stop by the Exhibits Corral to view all the Exhibits and cast your vote for the People's Choice Award from the COMPETITIVE Exhibits. Also, be sure to take a look at the displays of the 2025 OTY Nominees, the CCA's Permanent Collection of all Past OTY Award Winners and the informative Standards and Archives Committee exhibit of examples of Official CCA Grade & Conditions descriptions.

# LAKE TAHOE

## Casino Chips For Sale

After more than 50 years of collecting LAKE TAHOE memorabilia—and 30 years as a member of this casino club—I've made the decision to begin selling my private collection of casino chips

This will be the first time I have sold anything from this collection. It is a carefully curated selection of rare and hard to find Lake Tahoe casino chips, many of which I have had for decades.

I will have examples from virtually every casino and all denominations. I will also have some Reno, small towns and Las Vegas. Come by my table early ... The good ones will go fast!

LANCE DEAL R-3029

(214) 202-4136

In Loving Memory of  
**SHELDON SMITH**  
(December 1944 – December 2019)

Sheldon loved the CC&GTCC/CCA! He joined this Club in 2001, and he and his wife (Christine) were the Club's first husband and wife life members. Some of his bona fides in service to the Club were:

- From 2007 to 2011, Sheldon served as the Club's Education Director and offered a wide variety of seminars at the Convention.
- From 2007 to 2014, Sheldon issued press releases regarding Club activities and accomplishments and authored many articles that were published in *Gaming Today* and the "Journal of Antiques and Collectibles;"
- Sheldon initiated the Club's membership on eBay (in 2009) and on PayPal (in 2010).
- From 2011 to 2014, Sheldon was honored to serve as the Club's Vice-President.
- Sheldon (with his Co-Chair, Christine) was pleased to serve as the Club's Convention Chair in 2015, 2016 and 2017.
- Not limiting his love of the casino collectible hobby to the national venue, Sheldon also served for eight (8) years as the President of the Southern Nevada Casino Collectibles Club (SNCCC), after serving one term as its Vice-President.

In all his endeavors, Sheldon valued performance over promises and cooperation over divisiveness. He strived to be the voice of those who felt they did not have a voice. As those who supported his eBay sales as "ONENEVADADOLLAR," surely remember that customer satisfaction was key to him. To all his friends, as Sheldon loved to say, "Keep on Chipping!"

# CCA Hall of Fame

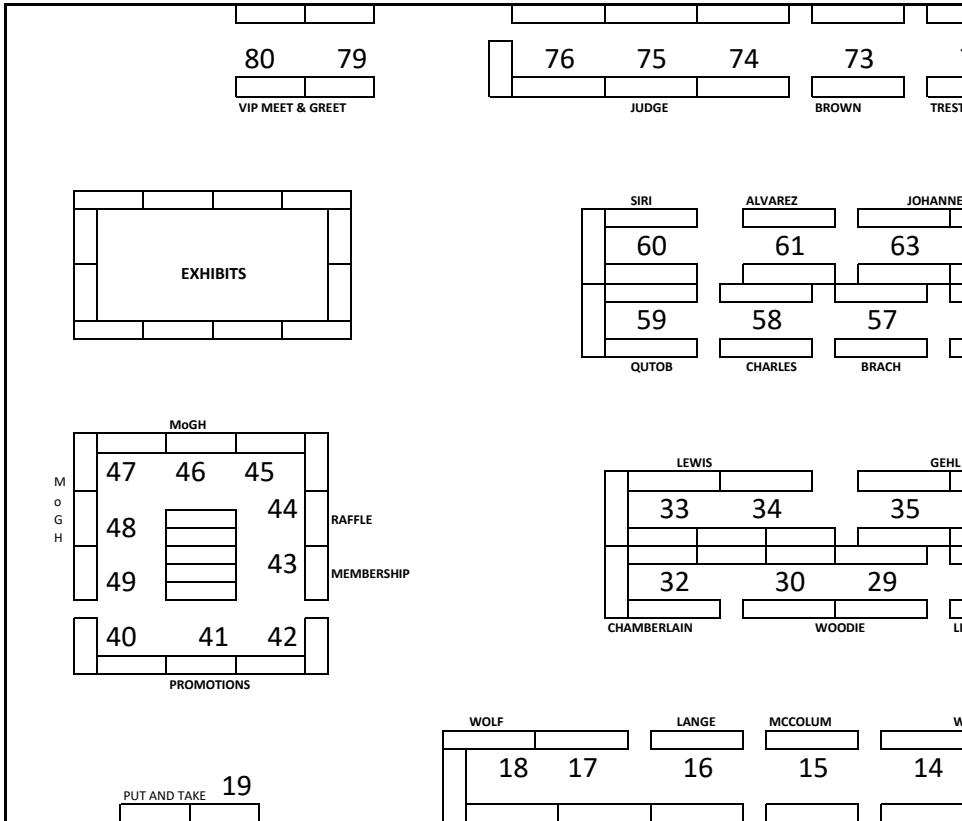

The Hall of Fame is the Casino Collectibles Associations' highest honor. Each year, several members are considered for inclusion in the Hall of Fame. Members are selected based on their contributions to the hobby and to the Club, which represent exemplary integrity and the greatest impact on the Club and on the hobby as a whole. There is no requirement that any member be selected for the Hall of Fame in any year. Following are the current members of the CCA Hall of Fame.

I am an avid collector of manufacturer's sample chips. Jetons and plaques and many will be available for sale. These are very collectible and an interesting segment of our hobby.  
As an avid buyer for my collection and for resale, if you have chips you are seeking to sell, please check with me. I buy single chips to full collections. Bring your chips for an evaluation and offer.  
And most importantly, come to say hi and talk chips.

The site offers unsurpassed information on the history of casinos, both legal and illegal. The membership benefit section has been expanded, including online membership application and renewal. And the website provides the latest information on the club's annual Casino Chip and Collectibles Show, the world's largest casino chip and collectibles exhibition, a must-see event for anybody who is fascinated by gaming history.
